

Dear Applicant:

Thank you for expressing interest in a counseling position at New England Music Camp. Cabin counselors at New England Music Camp are the backbone of our social and recreation programs. They live in the cabins with our campers, and plan and supervise the afternoon recreation and evening social activities. We are looking for university students from a wide range of experiences and backgrounds who will bring a love of mentoring young people in a nurturing and supportive environment. **The application and two letters of recommendation are to be completed and returned on or before January 15, 2024.**

The New England Music Camp is seeking university students for counseling positions for the 2024 camp season. To be eligible for employment, **candidates must have reached the age of nineteen and have completed at least one year of college or a similar experience prior to the opening of camp.** We are looking for people who are committed to creating a space where all campers can thrive.

Your recommendations should be returned directly by the persons who complete them. ***It has been our experience that the most beneficial references come from current or former employers or supervisors, not only your college professors. (We need to know how you work with young people, not just how you perform or practice.)***

The present salary range extends from \$2300.00 to \$2650.00 (contingent upon assignment). There is also a travel allowance that is paid at the close of camp. The 2024 camp season begins on June 29, 2024. All counselors are required to arrive on June 19, 2024 for counselor orientation.

Anyone applying must be willing to commit to the entire camp season (June 29th – August 23th). This includes the two-week BYSO camp and counselor week. The Boston Youth Symphony Orchestras (BYSO) will once again offer a 10-day camp immediately following ours, through August 23rd. We will need a minimum of 18-20 counselors to stay for the BYSO program. An additional \$1,000 stipend will be given to those hired to work BYSO. You will be notified if you are staying for BYSO when you receive an acceptance letter of employment no later than early March.

In order for NEMC to offer a variety of recreations, we are focused on hiring counselors that are certified in archery, sailing, and lifeguarding. Having those certifications increases your chances of being hired but doesn't guarantee you being hired. **We are looking for people with certifications in all areas for the coming summer!**

- Lifeguard
- Sailing
- Archery

We look forward to reviewing your application! Please email all materials to counseling@nemc.org by January 15, 2024.

COUNSELOR APPLICATION QUESTIONS

On a separate sheet of paper please answer the following questions. A few brief statements in response is sufficient. All potential candidates will be contacted for a personal interview with the associate director and least one of the head counselors prior to hiring decisions.

1. Counselors are required to fill many roles at NEMC, from living in the cabins with the campers to planning and supervising the recreation and social programs. Which responsibilities do you expect will be most consistent with your skills and experience?
2. What do you expect will be the most difficult part of a counselor's job? Most rewarding? Please describe the qualities you possess that can help manage these challenges.
3. Please describe the qualities you think are most important for a person to possess to be a good

counselor. Give examples of personal experiences where you have demonstrated some of these qualities.

4. Why do *you* want to work as a counselor at NEMC this summer?

5. Why is Diversity, Equity, Inclusion, and Justice important in a camp setting, and how do you see yourself contributing to these values?

6. What are three words or phrases your friends would use to describe you?
